

## Sleep like a Log

The nature resort, directly in front of the wildlife park, offers originally designed, comfortably equipped accommodation for everyone. Whether you're high up in the treetops or in the middle of the countryside, surrounded by chattering storks and grazing sheep – a night in a tree house or shepherd's wagon is a unique experience for families and couples. Strengthened by an extensive breakfast in the rustic tavern "Wildsau-Schenke", you will start the next day ready for new adventures in the theme park or wildlife park. As admission to the wildlife park is free for guests who stay overnight every day during their stay. There are special conditions for admission to the theme park. ## Nature Resort

## There is always action here!

An Easter egg hunt, halloween night or animal Christmas – Tripsdrill has many fantastic events all year round. Groups can choose from special programs: admission and food offers, guided tours behind the scenes of the theme park, exploring nature with a trained ranger in the wildlife park, wine tasting and much more. A birthday at Tripsdrill is unforgettable for children. There are various deals on offer for this in the theme park and wildlife park. Are you planning a conference or business outing with your company? Or would you like to visit Tripsdrill with your club? We will be happy to organise your personal event. For additional information, please visit [www.tripsdrill.de/en](http://www.tripsdrill.de/en)

## Opening Times

The theme park, wildlife park and nature resort are open every day from 9 a.m. during the summer season (Easter to start of November). The theme park is closed during the winter season but the wildlife park and tree houses in the nature resort are still open every day.

Great Fun for Everyone

## Tripsdrill - Boundless Fun for young and old

## Theme Park

In the midst of vineyards, mixed forests and orchards lies Germany's first theme park: Tripsdrill! Over 100 original, humorous attractions designed with attention to detail guarantee unlimited fun for the whole family. Tripsdrill has repeatedly received awards as the best theme park in Europe. The highlights include the spectacular catapult roller coaster "Karacho", the wooden roller coaster "Mammut", white-water rafting "Waschzuber-Rafting" or the "Höhenflug" - a turbulent flight duel.

## Two thrilling rides in one place

New: In the course of the 2020 season at Tripsdrill two roller coasters compete against each other in a breathtaking race. What would it be like to experience a rapid train ride in our family coaster "Voll Dampf" - even in reverse? Or would you rather face a thrilling adventure on the suspended coaster "Hals-über-Kopf"? Another new attraction is the "Spielewelt Sägewerk", one of the largest adventure playgrounds in southern Germany. In nine different areas, about 250 amusement features are available for the youngsters to climb, slide, sand and splash with water.

## Animal Encounters

A walk through the wildlife park promises an experience of nature for all your senses. Over 50 different animal species live on 47 hectares. In the large outdoor enclosures experience Dam and Dybowski deer up close, pet them and even feed them. In addition to the feeding times of wolf, lynx, bear & wildcat, be fascinated by the birds of prey during the flight demonstration. Watch the otters swimming and romping around while being fed in their diversely designed enclosures. Forest adventure trail, barefoot trail and a large adventure playground with climbing forest invite you to explore the natural surroundings.
